

# Your Voice Can Shape Mental Health Services!

**Are you ready to make a real difference in Coventry & Warwickshire?**

**CRASAC** is searching for **Experts by Experience** to help Coventry & Warwickshire Partnership Trust (CWPT) shape mental health support in our community.

If you've navigated the mental health system for yourself or others & have accessed CRASAC currently or previously, your insights are invaluable. We believe in **co-production – working together to create lasting positive change.**

**We particularly encourage applications from...**

- Older adults (65+)
- Global majority communities
- Faith communities
- Neurodiverse individuals
- LGBTQ+ communities
- People with lived experience of mental illness
- Former mental health inpatients

**Get paid for your time and help pave the way for better services!**
